Competitor / Crew HART – HART – PASTORELLI
Time 16:10

Fact The Driver of the car No 8 didn't wear the FHR system during starting procedure
Offence Non-compliance with RACB Sport Technical Note concerning FHR in Historic racing
Decision Reprimand
Reason On 26 September 2026 at 16:10 the Stewards received a report from the Technical Delegate concerning car No 8. In his report, the Technical Delegate stated that the Driver of car No 8 didn't wear the Frontal Head Restraint system on the starting grid.
The Stewards have summoned one Representative of the car No 8.
During the hearing, the Representative of car No 8 admitted the infringement even if he has corrected this infringement before the start of the formation lap.
Having considered the matter extensively and based on previous cases, the Stewards concluded that the Competitor of car No 8 has not respected the RACB Sport Technical Note with the reference 2025-01 v1 (update 11 February 2025) about the use of FHR devices in all historic competitions held in Belgium. This Technical Note stipulated clearly that "the use of an FHR system in accordance with the manufacturers' instructions and Appendix L is mandatory in all cars of Period F onwards equipped with FIA homologated harnesses".
The Stewards agreed that this is a clear breach of the regulations concerning safety measures and against the established requirements about FHR in Historic racing.
Therefore the Stewards considered that decision as appropriate in the present case.
This decision has been taken in accordance with Art. 12.7.3 of the FIA International Sporting Code.

Competitors are reminded that they have the right to appeal certain decision of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 5 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
